Do not make the market wait any longer and secure your Newcomer Package now

Seize this opportunity to present yourself to a broad audience and meet customers, partners and investors in the healthcare sector.

Requirements for your participation:

1. Your company has been established for 5 years or less,
2. employs less than 50 employees,
3. and achieves an annual balance sheet total or annual turnover of no more than 10 million euros.

Gain even more visibility by participating in Europe's most important and largest trade fair for the pharmacy market and take advantage of the subsidised participation for young companies with the Avoxa media group.

Your registration also entitles you to participate in our **apostart** pitch competition. For more information please go to www.expopharm.de.

Register now and secure one of the limited spots in the Newcomer Area.
